UKULELE STRAPS

The On-Stage ukulele strap -- unlike the typical scaled-down guitar strap -- offers features specific to its unique application. Designed for any ukulele with a standard sound hole, this all nylon, fully adjustable strap requires no button holes, providing the musician with unprecedented comfort and convenience. Keep your instrument safely, securely there where you need it with the right tool for the job, the On-Stage ukulele strap.

13034	GSA70R		Red
13035	GSA70BL		Blue
13033	GSA70		Ukulele Strap Dealer Pack includes 6 straps in various patterns.

ON-STAGE ORIGINAL!

HENNESSEY™ STRAP LOCKS

Push your axe in any direction and your strap will always remain locked on to your guitar. The Hennessey™ Strap Lock, with its safe and easy compress & release action system, allows for easy removal of your strap and for a secure connection every time. The 7200-Series is made of solid brass. The 7300-Series is made of Anodized Aluminum. All the strap locks are sold in pairs.

GUITAR SLIDES

We offer chrome-plated steel slides in a variety of ring sizes to suit the comfort and playing styles of every guitarist. Machined from heavy seamless steel, all our slides produce a rich sustain. The SLD209T features a heavier than usual wall, imparting a darker, warmer tone. All models are 55mm in length and include a custom-sized storage pouch with a snap spring closure.
